SPORTS PREMIUM Report 2024-5

2024-5 was a successful year for sport at the school with the award for the Gold mark for Sport from the local School Games Partnership.

The widening of opportunities and opening up the school to children of all abilities and needs regardless of gender or background, saw weekly coaching and clubs offered on a no fee basis, new sports and activities and visits from international sports personnel in Cycling, Football free-styling, Rugby union, Girls' football.

Several members of staff received training in PE and sport form the local sports partnership, and all staff worked through the year with the Tameside Active coaches to increase and develop their teaching and delivery of PE and Sport across a wide variety of activities and children received over hours of PE lessons/sport a week over the course of the year. The Teaching assistants all received 2x ½ days training on engaging positively with play and the supporting safe and active play during break times. 9 staff were first aid trained in the last year too. Facilities were supported with the new playground markings completed, a Playground gym installed and new equipment for PE lessons, Breaktime activities and after school clubs and teams.
The school bought online lesson planning, schemes of work and curriculum design resources from the PE hub and Association for PE to support Teaching and learning, Health and Safety in PE, new sports and games, competitions and a higher quality provision for lessons and activities. The y6 children enjoyed the residential trip with outdoor pursuits activities in place and next year we have 2 trips leaving school with the Y4/5 and Y6 being able to travel to Yorkshire once again to do the same. This all ensures sustainability within the field of PE and sport at the school.

The Y5 and Y6 took part in the swimming lessons for a term each and the staff were supported in their knowledge and delivery of safe swimming teaching once again through Tameside Active. Children were also First Aid trained and took part in the Y5 Bike-ability training this year in the autumn term too.

Our sports day showed an inclusive AND competitive element again and saw over 130 parents/ guests attend to support their children and the school which was a real highlight of the year!

50 % more children with EHCPs attended after school clubs this year and uptake from Disadvantaged children and Girls was up by over 30% each. Uptake by EAL children has risen by just under 20%.

Children received a far more board and balanced curriculum (including Gymnastics, invasion and striking games, swimming and water skills, cycling, athletics) and range of after school clubs (including archery, basketball, multi sports, football, girls' football, Rugby union, Cricket, hockey and Athletics).
The Y6 children were able to demonstrate 66% swim attainment over 25m with 59% able to demonstrate a range of swimming strokes and 59% able to perform a safe self-rescue in different water- based situations.

TYPE	PE AREA	PROVIDER/USEAGE	AUTUMN 02/09/2024-19/12/2024 (£)	SPRING 06/01/2025-04/04/2025 (£)	SUMMER 22/04/2025-31/08/2025 (£)	YEARLY (£)

Overall Totals	**Total Funding Received**	17,750				17,750
	Total PE & Sport Premium Spend					21549.5
	Total Remaining					-3,800

Impacts:
The table above shows the £17750 grant was fully spent along with £3800 further funding to achieve our aims this year.
Children talk openly about enjoying the playground and extra-curricular clubs and activities within school (pupil voice) and to visitors including inspectors. Attendance rates continue to rise and are above the local and national averages and Persistent averages are falling sharply. The children have enjoyed the range and variety of sports on offer and how the school promotes different sports like the free-style football, Girls' Football (Ella Toone Foundation) and Cycling (GB athlete visit) this term alone. Sport and movement are used for children with additional needs to support their development as part of our child-centred approach. The school has bought various flags to show support for the national team sporting fixtures like the British Lions and England Rugby teams, National men and women's football, Olympic teams (to name but a few) and sport and physical activity is developed through our webpage and newsletters to link in with local provision.

Our aim next year is to

- re-invest in staff training with outside providers
- PE Hub for teaching support and resources
- our outdoor environment,
- re-pair areas like the Trim-trail/ Soft landing areas

... if funding allows.
